奢华 LUXURY 经典 CLASSIC 品味 TASTE

Beijing International Top Personal Goods & Advanced Life Exhibition (BILS China) is the only one commercial exhibition for top personal goods and advanced life, which gathers many world-class famous and domestic famous brands.

The luxurious booth decoration, series of product press conferences and innovative life-style concept have attracted many high-end consumers, merchants and Medias.

Based on the mission of "Transmit culture, upgrade taste, gather luxury products and lead consumption trend", the target of "Upgrade brand image and consumption structure" and the guide of "internationalization, branding, specialization, marketization and informatization", we will hold series of activities like product show & trade, trend press conferences and forums, which strengthens Beijing's luxuries consumption status and enhances luxury brand's image and international fame. All of those forge a exhibition which not only shows, trades and consumers luxuries, but also shows the development of domestic luxuries and advanced life industry.
